## Yes, okay, your parents. Who else?

A teacher? A mentor? Now, imagine if you'd had a whole team behind you with the resources to help you succeed. Would have been nice, huh?

We can't go back in time and give you that. We can give you something better: A boost to your own business, your community and the economy. After all, when small business succeeds, we all win big.

Find out how a **partnership with SCORE** is good for business. Including your own.

In 1976 Herman Rowland and David Klein introduced customers of Fossleman's ice cream parlor to their crazy new confection: miniature jellybeans with a "true to life" flavor. Today **Jelly Belly produces 13 billion jellybeans a year, which are enjoyed in 40 different countries** and yes, even outer space.
